Wm. Preston Kimball.

In this issue we announce Wm. Preston Kimball, of Fayette, as a candidate for re-election to Congress from this district. Mr. Kimball has been our Congressman for only one term, but during this short period he has demonstrated that he is Congressional timber of the right caliber. He is a lawyer of ability, fine speaker and debater, and has during his term in Congress proven to be an honor to himself and his constituents.

For Rent.

One front furnished room to rent. Apply 704 High street.

Tough On the Teachers.

We understand that the Paris School Board has passed a resolution not to elect the teachers for next year until after school closes. This seems to be quite a hardship on the present teachers, as it will give them no time to look for other places if any of them should be turned down by the board for the ensuing year. We do not know what the motive of the Board is in adopting such a resolution, as it is so different from the methods of preceding Boards.

Bourbon Fiscal Court.

The Bourbon Fiscal Court held its regular monthly session, yesterday, Squire Fletcher Mann presiding as Judge pro tem, in the absence of Judge Dunton, with the following magistrates present: Thomason, Hopkins, Howell, Claybrook, Barlow and Keller. Thos. M. Buckner was allowed \$24 for sheep killed by dogs and Nat. Collier \$7.

It was ordered that salary of Pearce Paton, Clerk of Fiscal Court, be fixed at \$400 per year.

It was ordered by the Court that an ad valorem tax on all property subject to taxation within this county as assessed for State purposes be and the same is levied for the year 1908 for the county as follows:

To pay court house bonds and interest, 4 cents on each \$100 worth of property; for turnpikes and bridges, 11 cents; for general purposes, 24 cents.

It was further ordered that a poll tax of \$1.50 be and is hereby levied on each male inhabitant in the county over 21 years of age.

The usual amount of claims were allowed and ordered paid.

In Judge Dundon's Court.

In Judge Dundon's court Will Skinner, a negro was given a sentence of twenty days in jail for shooting at Sam Rice, another negro, with a double barrel shotgun, none of the shot, however, taking effect.

Sam Rankin was arrested and tried under a peace bond which had been sworn out by his wife, Susie Rankin. After hearing the evidence Judge Dundon lectured both and permitted the defendant to go.

One Lot Free.

Why don't you talk about the beautiful lots in Doyle's Annex? One good building lot will be given away at the auction. Attend the sale and register. It costs you nothing.

Change in Firm.

Mr. E. H. Brannon has purchased the interest of Mrs. Ed Hill in the saloon business of Hill & Brannon. Mr. Brannon will in the future conduct the business at the old stand and insures his trade that he will continue to handle nothing but the very best brands of whiskies, wines, cigars, etc.

Probable Candidate.

The friends of Hon. C. M. Thomas are urging him to make the race for Congress. No one is better qualified in every way to represent the old Ashland District than Claude M. Thomas, and if a county was ever entitled to send a man to Washington, Bourbon is that county.

There are now two candidates, Kimball and Cantrill, and it is said Franklin will have a candidate in the person of James Andrew Scott.

All Genuine.

We sell Knox, Stetson and Rummell Hats. These are all the genuine. We don't sell any "just as good hats." J. W. DAVIS & CO.

Here It Is—What?

Those cheap lots situated in one of the best neighborhoods in Paris.

THINK IT OVER.

An undesirable house, situated in a good neighborhood, will rent or sell better than a desirable house situated in an undesirable neighborhood.

Remember \$10.00 in gold will be given away at this sale. All white adults who attend are entitled to a chance. Time and place soon.

High Waters in Bourbon.

The rains of Monday and Tuesday nights put every stream of water in Bourbon county out of their banks. Wednesday morning the waters of Houston Creek was running over part of the swinging bridge, the G. G. White bottoms across Houston from the jail were completely under water, and the sewer pipe that crosses Houston could not be seen. The mill dam was level, it being an easy matter for one to pass over in a skiff. In fact every stream in the county was on a tear of the worst kind.

The most serious damage reported is the washing away of fences, fields and the turnpikes were badly washed. Stoner and Houston were in 18 inches of being at high water mark of 1884.

The Genuine Article.

Our Rain Coats are Priestly, the genuine. We don't sell "Just as good" Rain Coats.
